1. What was shown in the movie *War Games* that concerned President Reagan?

1 / 1 point

✓ **Correct**

2. In addition to the movie *War Games*, what other event made the need for advanced cybersecurity apparent?

1 / 1 point

✓ **Correct**

3. What were the three (3) main cybersecurity concerns arising from the 9/11 attacks?

1 / 1 point

✓ **Correct**

4. According to a Forbes Magazine study, the annual cost of cybercrime in the United States alone has reached how much?

1 / 1 point

✓ **Correct**

5. Who are Alice, Bob and Trudy?

1 / 1 point

✓ **Correct**

6. Which of the following is considered a legitimate challenge to implementing a comprehensive cybersecurity solution?

1 / 1 point

✓ **Correct**

7. Jeff Crume described five challenges in security today. Which two (2) of these are challenges because their numbers are decreasing?

1 / 1 point

✓ **Correct**

8. "A defined way to breach the security of an IT system through a vulnerability" is the definition of which key cybersecurity term?

1 / 1 point

✓ **Correct**

9. "A situation involving exposure to a danger." Is the definition of which key cybersecurity term?

1 / 1 point

✓ **Correct**

10. Which aspect of a comprehensive approach to cybersecurity includes these items: *evaluate, create teams, establish baselines, identify and model threats, identify use cases, identify risks, establish monitoring and control requirements*?

1 / 1 point

✓ **Correct**

11. According to a 2018 report by Domo, over what period of time do the following things occur: *49,380 videos are uploaded to Instagram, 25,000 gifs are sent on Facebook Messenger, 4.2 million videos are viewed on Snapchat and 473,400 tweets are sent on Twitter?*

1 / 1 point

✓ Correct

12. In the examples using Bob, Alice and Trudy, what aspect of cybersecurity is being illustrated?

1 / 1 point

✓ Correct

13. Alice sends an unencrypted message to Bob but it is intercepted by Trudy. Trudy reads the message but does not in any way interfere with its content or delivery. Which precept of the CIA Triad would have been violated?

1 / 1 point

✓ Correct

14. Alice sends an encrypted message to Bob but it is intercepted by Trudy. Trudy cannot read it so, in anger, she deletes it without allowing its delivery to Bob. Which precept of the CIA Triad would have been violated?

1 / 1 point

✓ Correct

15. Alice sends an encrypted message to Bob but it is intercepted by Trudy. Trudy cannot read it but forwards it on to Bob from an anonymous address she controls. Which precept of the CIA Triad would have been violated?

1 / 1 point

✓ Correct
